Knapsack	10 - 20mL/10L water	
Misting Machine	1 - 2L/ha	
Handgun	100 - 200mL/100L	

NOT TO BE USED FOR ANY OTHER PURPOSE, OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

SACOA X-SEED® Spray Oil is an emulsifiable vegetable oil and is suitable for use with herbicides, insecticides and fungicides. It increases herbicide activity by better wetting and absorption and improve spray coverage.

MIXING INSTRUCTIONS

X-SEED® mixes quickly and easily with water and should be added directly to the spray tank after the addition of pesticide. It should not be added directly to undiluted sprays containing wetting agent.

PRECAUTION

Follow the safety directions of the agricultural chemical this product is to be mixed with.

COMPATIBILITY

X-SEED® is suitable for use with most herbicides, defoliants, insecticides and fungicides. Always check the label of the product to be mixed with X-SEED® before use.

CROP SAFETY

Mixtures of X-SEED® with other plant protection products should be tested on a small area prior to large scale use.

PROTECTION OF LIVESTOCK, WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

Do not contaminate streams, rivers or waterways with chemical or used container.

STORAGE AND DISPOSAL

Keep out of reach of children. Store in the closed original container in a well ventilated area, as cool as possible. Do not store for prolonged periods in direct sunlight. Triple or (preferably) pressure rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean container to recycler or designated collection point. If not recycling, break, crush, puncture or bury empty containers in a local authority landfill. If not available, bury the container below 500mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots.

Empty contents fully into application equipment. Close all valves and return to point of supply for refill or storage. All 110L and 1000L containers remain the property of SACOA Pty Ltd.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. (Phone 13 11 26).

MATERIAL SAFETY DATA SHEET

Additional information is listed on the material safety data sheet, which is available from SACOA Pty Ltd, or available for download on website - www.sacoa.com.au

NOTE

SACOA Pty Ltd accepts no responsibility for any consequences whatsoever arising from the use of the product otherwise than in accordance with this label.
